

Using the first smart and switchable de-bonding adhesive technology, Comfort Release® offers a range of **ACUTE WOUND CARE / FIRST AID** and **ADVANCED WOUND CARE** products that protect your patients from pain and injury during bandage, tape and dressing removal.

Comfort Release products are **PERFECT FOR CHILDREN, ATHLETES OR OLDER ADULTS** - anyone taking blood thinners, steroids or any medication that can affect your skin and anyone who hates the pain of ripping off bandages.

Comfort Release® is a fast-growing medical technology company with innovations in chemistry and biomaterials. The company has invested extensively in research and development to find innovative solutions to today's problems and to redefine existing markets.

We developed the Comfort Release technology to help people of all ages who have experienced the discomfort associated with the removal of bandages, medical tape or dressings.

Comfort Release is recommended by doctors and nurses, caregivers and patients - pediatric and geriatric.

To order **ACUTE WOUND CARE / FIRST AID** and **ADVANCED WOUND CARE** products with Comfort Release technology, call **470.636.4410**.

Q2 / 2019 UPDATE

## COMFORT RELEASE® ACUTE WOUND CARE - FIRST AID ADHESIVE BANDAGES & TAPES

For sensitive skin, easy to apply, water resistant, breathable, long lasting, with painless release. Bandages are made with a nonwoven film and tapes are made with a transparent, bidirectional tear polypropylene film – both with a strong acrylic (non-latex) adhesive.

GB104-02	Box of 50 Blister Packs - <b>COMING SOON</b>
GB104-04	Box of 6 Rolls
GB104-05	Case of 10 Boxes of 6 Rolls per Box - 60 Rolls Total

## INSTRUCTIONS FOR REMOVAL

**BANDAGES:** To remove a dry bandage, just swipe with rubbing alcohol – we recommend using one or two alcohol prep pads enclosed in each box.

**TAPE:** To remove, soak a cotton ball with rubbing alcohol and wipe across the outside surface, until the tape begins to lift from your skin surface, about 3-10 seconds. Cotton balls and rubbing alcohol are not included in any tape box and need to be purchased separately.

**DRESSINGS:** To remove, simply swipe the dry border area with rubbing alcohol – we recommend using two alcohol prep pads for each dressing. Large alcohol prep pads are enclosed in every box. If needed, add more alcohol for painless release. The clear window film can be removed without discomfort and without rubbing alcohol – due to its low skin bonding.

## COMFORT RELEASE® ADVANCED WOUND CARE ADHESIVE TRANSPARENT DRESSINGS

The center transparent windows are made of thin polyurethane material with a low level of adhesion, are waterproof and highly breathable for better wound healing and skin health. The border areas are made of a nonwoven film with a strong acrylic adhesive with our triggered easy release. Made in USA.

### 2.375" X 2.75" TRANSPARENT DRESSINGS FOR IV CATHETER & OTHER WOUND SECUREMENT

## ADDITIONAL SUPPLIES WOUND CARE

### LARGE ALCOHOL PREP PADS

Saturated with 70% isopropyl alcohol, these latex-free, 2-ply nonwoven pads are ideal for use to trigger our easy release. The pads are also an antiseptic cleanser.

DKL-861-01	Box of 100 Large Alcohol Prep Pads
DKL-861-02	Case of 10 Boxes w/ 100 Large Pads - 1000 Pads Total

### TECH-MED® ALCOHOL DISPENSING BOTTLES

Manufactured from high density polyethylene. Excellent for dispensing isopropyl alcohol and other cleaners and solvents. Bottles opaque color allows for fluid level visibility. Unique push down dispensing design prevents cross contamination by not allowing dispensed fluid to return to bottle. Locking cap prevents fluid from leaking out.

TM-4024-01	Single 9oz Alcohol Dispensing Bottle
TM-4024-02	Box of 12 Single Alcohol Dispensing Bottles

### COTTON BALLS

100% cotton, latex free, non-sterile, soft and uniform in size.

DKL-802-01	Bag of 1000 Cotton Balls
DKL-802-02	Case w/ 2 Bags - 2000 Cotton Balls Total

### STING RELIEF PADS

Saturated with 60% isopropyl alcohol plus 6% soothing benzocaine, these 2-ply nonwoven pads are ideal for use to trigger our easy release. The pads also provide temporary relief of pain and itching associated with minor burns, scrapes, and insect bites.

DKL-856-01	Box of 200 Sting Relief Pads
DKL-856-02	Case of 20 Boxes w/ 200 Pads - 4000 Pads Total
